I/We, the undersigned, agree to adopt a cat/dog/rabbit/hamster/guinea pig \_\_\_\_\_ from Dont Bully My Breed. I also agree to pay a fee of \_\_\_\_\_. This fee includes any and all vaccines or medical procedures given to the animal. Any remaining vaccines and medical procedures are to be provided at the new guardian's expense. This fee also includes any spay/neuter surgery. As the new owner of this animal, I agree to love and care for this animal for the rest of his/her life. I agree to treat my new companion animal humanely and feed him/her a high quality diet, provide proper exercise (if applicable) and attend to any and all medical needs. In the case that I am adopting a dog, I agree to keep him/her on a leash while outdoors, obey all laws and ordinances with respect to dogs, make certain he/she is never left alone outdoors and has current and proper licenses and identification on him/her at all times.

Dogs are required to be harnessed at all times, with a training collar/leash attached to the dog on walks. I agree to use a high quality leash (no retractable/extendable leashes). I agree if adopting a Pit Bull or Pit Bull mix I will not put the dog in multiple dog situations such as dog parks, doggy daycares and doggy beaches, and agree to separate from other dogs while unattended. I agree to treat my new companion animal as a member of the family and not keep him/her confined to the garage, basement or yard for any periods of time. I agree to not leave dog unattended outside at any time.

Dogs are required to be registered in an obedience training course within two weeks of adoption and complete a basic obedience course within three months of adoption. I agree to keep my dog on heartworm preventative. I agree not to crop my dog's ears or dock my dog's tail. In the case that I am adopting a cat, I agree to keep my new cat indoors at all times and I agree not to declaw my cat. I understand that Dont Bully My Breed reserves the right to visit my home to follow up and check on my new companion animal. I agree to participate in follow up phone calls. I also understand that Dont Bully My Breed can, if the Guardianship Contract is not being fulfilled, revoke my guardianship privileges and I understand that I will be required to relinquish the animal to Dont Bully My Breed.

I agree to keep the microchip primarily registered to Dont Bully My Breed with myself (guardian) as the secondary contact. I understand the registration is not to be transferred to any other individual/group/organization. I agree to notify Dont Bully My Breed promptly if I should have a change of address. Should the animal develop any medical/behavior problems, I will contact Dont Bully My Breed immediately and understand that they are to be included in the decision making process. Should the guardianship not work out, I agree to return this animal ONLY to Dont Bully My Breed. Animals adopted as part of a pair must be returned in pairs. There will be no refund. Should Dont Bully My Breed be required to bring legal action in order to enforce the obligations under this Agreement, Dont Bully My Breed shall be entitled to recover its costs and expenses, including reasonable attorneys' fees.
